ORDERING PHOTOGRAPHS

All children brought home proofs yesterday - if you didn't get your proof let us know. (Class and whole school photographs available at a later date.)

All details about ordering photographs are included in the envelope but **I would encourage you to use the on-line facility.** Log onto www.coolforschoolphotography.com and enter your own, personal, unique code detailed on your form and you will be able to view all the 'poses' that the photographer took of your child/ren.

If you use the on-line facility you can also 'mix and match' your packs to include colour and black and white photos; can mix individual and family packs - this is not an option if ordering through school.

Alternatively use the envelope provided and forward to school.

If ordering through school they should be in by Fri 23rd March
