

Eco-Schools Committee

Meeting

25/1/2017

Minutes of meeting:

Present

Mrs Ormerod (Parent rep), Mrs Beattie (BOD rep), Mr George, Kira, Nancy, Sam, Tom, John, Finn, Matthew, Emily, Josuha & Robbie.

Today we are going to talk about carrying out our action plan. The committee agreed upon the action plan. This was achieved by first asking the rest of the school for their ideas and writing an Eco-code. We will now begin to carry out our first topic of School grounds.

P6/7 are going to make bird feeders out of plastic bottles.

Parents will be asked to provide feed for the birds and **monitor** when to re-fill.

John's Dad will be asked to make a bird table.

P6/7's will **monitor** the variety of birds that live on our school grounds.

P6/7's will provide data through a tally chart and bar chart.

P1-7 will **monitor** and record what birds like to eat (CHEERIO'S, BIRD SEED or APPLE).

All pupils will receive temperature cards (to be given to parents).

All pupils will design energy saving posters and litter posters (Eco-committee to choose the best one).

All pupils will **monitor** and record the amount of rubbish that we collect.

Eco-Committee will begin collecting & **monitoring** energy bills

Finn (secretary)
